

ALLEGHENY

CORE SHREDDERS

Shred your cores and tubes for easy baling and recycling profits!

MINIMIZE YOUR SOLID WASTE DISPOSAL COSTS BY SHREDDING AND RECYCLING YOUR CORES AND TUBES, CARDBOARD BOXES AND SCRAP RINGS WITH THE ALLEGHENY CORE SHREDDER.

Our Core Shredders accept cores and tubes of any size, up to 24" in diameter with 1" thick walls. Cores, scrap rings, and cardboard boxes are easily fed into the powerful cutting assembly by an input conveyor and a unique series of heavy-duty crusher paddles. Shredded material is then conveyed into your baler with an optional Allegheny output conveyor.

NOTE: Optional custom tippers are available for easy delivery of the cores and scrap onto the input conveyor belt.

- Accepts cores and tubes of any length – up to 24" in diameter with 1" thick walls (from construction, paper mill, and textile industries)
- Accepts cardboard boxes and scrap rings
- Choose from three powerful models
- A cost-effective, convenient, and profitable solution for disposing of cores!
